Show Rules:

Show is open to all American-bred Guernsey Goats. Classes will be determined by BGS, GGBOA, or IGGR registration. Age determined as of August 1, 2018. Does should be uddered, but not over uddered. Animals should be fitted either according to the Guernsey show fitting recommendations or by body clipping (smooth coated animals only). Regardless of fitting style, senior does must have fully visible fore and rear udder. Animal should be set up square on level ground and held by a collar in front of a non-busy/neutral background. Photos of loose animals (not held) or senior does where the udder cannot be clearly seen will not be judged.

Entry Requirements:

To enter GGBOA's virtual show, you need to submit digital photos of your goat:

1. Full left side, level with the goat, not from above.
2. Fill right side, level with the goat, not from above.
3. Front, level with the goat.
4. Back, level with the goat.
5. Top: standing behind the goat, take a picture of the goat's topline view.
6. For does in milk, a close up photo of the fore-udder and a photo of the rear udder are also required.

Photos should be no smaller than 600 x 800 pixels. No editing of photos is allowed, other than resizing.

Senior does and bucks 12 months and older must be BGS registered. Junior does (does under 24 months that have never freshened) and bucks under 12 months must be the offspring of BGS, GGBOA, or IGGR registered animals, but need not be registered. Sire and dam must be listed in show application. Registration of animal and/or sire and dam is subject to verification.

Show entries are due by September 1, 2018.
